www.kanhaiyalaltandoor.com

NEW GENERATION TANDOORS

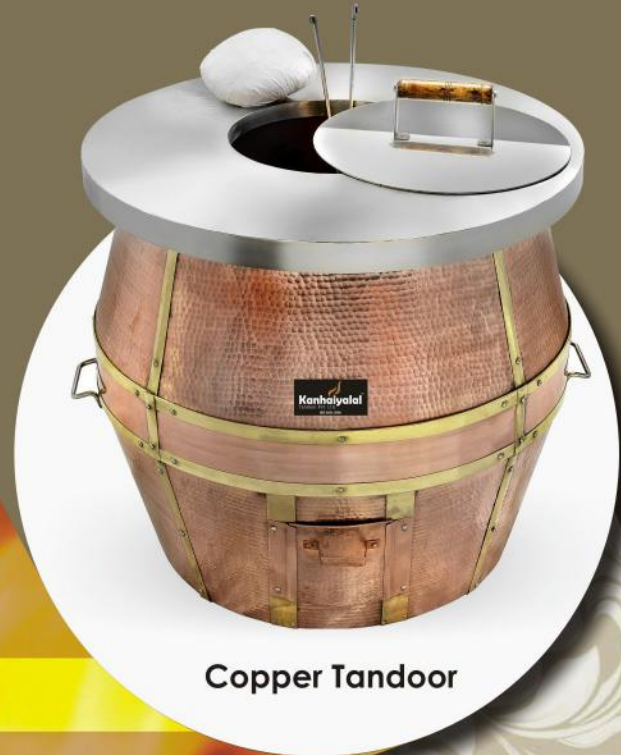

We also provide these as per the client's specification at very competitive price.

Copper/Rose Gold Barrel Tandoors

(Different Designs)

We are also engaged in manufacturing & supplying of Copper Tandoors. As the name suggests quality copper material used for outer body of tandoor and garnished by other metals like mild steel, stainless steel, aluminum and copper.

The inside body is premium quality clay pots which provide long service life. These tandoors are major attraction in open live kitchens in hotels, restaurants and outdoor catering.
